Wolveshead Pizza Now Has Locations in Lakewood Ranch and West Bradenton**

SARASOTA, FL (November 18, 2025) - Gulfside Bank, a full-service community bank based in Sarasota, helped a local business owner expand their family-friendly restaurant and pizzeria with a second location.

**Restaurateur Kenny Buchanan with his wife, Caitlin,
and daughters, Paige and Quinn.**

When the business owner was asked about working with Gulfside Bank, this is what Kenny Buchanan shared in an email, "David Newton is why someone chooses a local bank vs a large-scale national institution. He is the reason I went back to Gulfside for my second project. I feel comfortable with him knowing he has my best interests in mind. David provides white glove support, and I look forward to working with him again on our next project!"

Wolveshead Pizza & Wings officially welcomed customers to their second location at 5548 34th Street West in Bradenton, Florida on Wednesday, October 15, 2025.

Known for serving great pizza, wings, and cold beer, the business opened their first location in Lakewood Ranch in 2014.

"Quite frankly this was an easy one for us," shares David Newton, SVP and Director of Government Guaranteed Lending for Gulfside Bank. "Being a good client with good numbers and open lines of communication, we had no problem getting this done quickly for Mr. Buchanan and his business."

Newton was able to secure a loan for Wolveshead Pizza that allowed them to open their second location much faster than expected.
